

## Funny Questions To Ask Your Girlfriend

In the start of any relationship you are not sure about your partners nature, habits, and hobbies etc. Knowing or not knowing about your girlfriend may go in your favor or against you, depending on your perception to judge things. It is very important to know about your girlfriend inside out. You can better know about your girlfriend by asking her random questions. You do not need a doctorate degree to ask questions; make everything look natural by adopting normal approach. However, you should know that this is a delicate relationship which can easily be broken if stretched hard.

You should always know what questions to ask your girlfriend when you meet her. For this, prepare in advance to avoid any confusion during the meeting. For instance, if she works in human resource department, you can start your conversation by asking her some questions related to human resource. If you want to animate the meeting, you can think of fun questions to ask your girlfriend. Be inventive to ask such questions which genuinely portray her characteristics.

Women like to talk and want others to listen them. You should start asking her about the things she likes or dislikes, her obsession, her nightmares, and her discomfiting incidents of life. When she talks, be a part of the conversation by asking random questions to make her feel that you are interested in her thoughts and feelings. However, never give your fixed opinion about any past experience. First try to understand her, and then ask relative questions to support her feelings.

It is also good to ask her about yourself and how she looks you in her life. You can also present some hypothetical scenarios, and ask her how would she feel if you react to some situations in a certain way, and if sometimes you dont have enough money to make both ends meet?. This will help you know about her nature, and if she truly loves you.

A person is known by the company he/she keeps; ask about her friends and know the characteristics of her best friend. What she likes about her friends?. What was the most memorable day she had with her friends?. Throw some motivating [questions to ask your girlfriend](#) to know what qualities she likes in her perfect friend. Lets have a look at some of the questions to ask your girlfriend.

What are your thoughts about our relationship? How do you see this relationship in the future? What are your apprehensions and passions? What are your strong and weak points? What do you want to become in life? How successful you see me and yourself in the years ahead?

These are some most likely questions to ask your girlfriend. The options of funny, romantic, and interesting questions to ask your girlfriend are limitless; the only regulation is your creativeness and inspiration.
